DEPARTMENT OF CRIMINAL JUSTICE TRAINING PRESENTS SENATOR THAYER WITH PLAQUE

GEORGETOWN, KY – Department of Criminal Justice Training Commissioner John W. Bizzack presented Sen. Damon Thayer with a plaque on December 8, in recognition of his support of House Bill 406. The bill, which passed during the 2003 session, requires all full-time telecommunicators to complete a training academy and attend annual professional development courses. Commissioner Bizzack made the presentation at the open house of the Scott County 911 Center.

Sen. Thayer was a vocal advocate for HB 406, and helped guide it through the Senate chamber during the 2003 session. The law ensures all telecommunicators across the state are uniformly trained and equally prepared to successfully do their jobs.
